Dan Patterson,
President

On behalf of the staff, faculty, students and Board of Governors of Niagara College, I would like to take this opportunity to congratulate the Niagara College Knights on another successful year.

Our student-athletes are a great source of pride for our College community. You enhance the College experience by giving us something to cheer for, and by striving for excellence on and off the courts and fields of play. You are tremendous ambassadors for our college throughout our community and across our province.

This year saw many impressive performances from our varsity teams. The Golf team earned their second consecutive OCAA bronze medal and the Mixed Curling team earned an OCAA silver medal. We also continued to partner with Brock University by competing in the 4th Annual Peninsula Hoop Classic, and by joint hosting the Volleyball Canada Centre of Excellence.

I would like to congratulate the Athletics and Recreation staff, dedicated coaches and volunteers, fans and sponsors for your generous contribution to the development and success of our student-athletes and our athletics program.

Congratulations to all on a great season, and best wishes in all of your future endeavours.

Sean Kennedy,
Vice-President, Student & External Relations

The 2013-2014 Intercollegiate Athletics year gave our student-athletes, coaches, fans and Niagara College Athletics and Recreation staff many reasons to feel proud. Our athletes were outstanding both academically and athletically, with a record 26 athletes earning the CCAA National Scholar Award for their outstanding academic performance. For the second consecutive year we also had a student-athlete named a CCAA All-Canadian, marking just the seventh time in College history that a Niagara College Knight has earned the accolade.

A sincere thank you to everyone associated with Niagara College Athletics - players, coaches, team staff, student staff, volunteers, Athletics & Recreation staff, and of course our dedicated and growing Knights Family of campus and community-based fans and partners.

Matthew Davies,
Director, Athletics & Recreation

We are very proud of our year and the continued growth of our high performance culture. Our commitment to excellence is being displayed in the classroom and in our athletic pursuits.

Academically, our student-athletes continue to excel. This past year, we increased our CCAA National Scholar Award recipients to 26 and we are proud to have five student-athletes named CCAA Academic All-Canadians. Finally, 29 of our student-athletes earned OCAA All-Academic honours.

The 2013-14 season was highlighted by a silver medal performance by our Mixed Curling Team and bronze medal performance by our Golf Team, both at the OCAA Championships. Our Men's Volleyball Program was ranked as high as #2 in the country, the highest CCAA National Ranking ever for our Knights. Our Men's Soccer Program enjoyed their most successful season ever, advancing to the OCAA playoff quarterfinals for the first time in the history of the program.

On top of this all, for the second straight year we are proud to have one of our student-athletes named a CCAA All-Canadian, as Daniel Groeniveld became just the seventh Niagara College student-athlete to earn the prestigious accolade.

None of this would be possible without the continued support from our students, faculty, staff, alumni, and community. Thank you again for helping the Knights Family build toward National prominence.
